Chair of the International  
Scientific Committee

## Dear Colleagues,

We are happy to invite you to Tbilisi, Georgia to take part in the 35th IUSTI-Europe Congress to be held Thursday 29 Sept - Saturday 1 Oct 2022.

Georgia is hosting the IUSTI-Europe for the second time. The First time the Congress was held in September 2010 and was a great success with very positive feedback from the participants.

The IUSTI-Europe 2022 will be held in a **HYBRID** format. We will have Face2Face in-person Congress in Tbilisi, and a Virtual platform, that will allow a wide European and World participation.

IUSTI-Europe2022 will continue the tradition of previous Congresses

with a broad Scientific Programme for both practitioners and academics, as well as an active social programme. We will make every effort to use our experience of holding the successful IUSTI-E Congress in 2010, and to make it even better in 2022.

Tbilisi has a unique historical environment to be enjoyed, to complement the Scientific Programme. We will ensure that you will have an unforgettable experience, whether you were with us in 2010, or are coming to Tbilisi for the first time in 2022.

After 12 years we are looking forward to welcoming you to Georgia once again.

The IUSTI-Europe Congress 2022 will bring together experts and practitioners in the field of dermato-venereology, infectious disease, epidemiology, genitourinary medicine, as well as scientists, clinical researchers and others interested in the medical, scientific, social and epidemiological aspects of sexually transmitted infections, their control and consequences.
